

COVID-19 Cleaning Protocol

Reference NEI Electric's website for all updated COVID-19 policies and procedures. These are accessible thru the NEI Electric website employee portal and from the TEXT links sent out to all employees.

Personal hygiene

Hand washing is the preferred method to fight off germs. Follow the below options in the BEST to GOOD options as best you can on your jobsites.

- BEST - Utilize facilities running water with soap when available, wash for 20 seconds
- BETTER - Utilize Temp Hand washing stations which have been dispersed to jobsites
- GOOD - Hand sanitizer with alcohol over 60%

Daily tool cleaning

Daily tool cleaning for all tools and contact surfaces is critical. Keep break trailers, office areas, gang boxes cleaned and wiped down. Utilize cleaning supplies delivered to the job.

- Wipe down tools at start of day
- Wipe down tools when tools switch users
- Wipe down tools at the end of the day

Job site cleaning supplies

Keep your job site cleaning supplies stocked. If your site needs cleaning supplies, temp hand washing stations please contact the following ASAP.

- Greg Orton – 715-553-0434
- Andy Karstensen – 715-829-9588
- Shawn Rehbein – 651-829-0344
- Larry Koenig – 715-553-0416

Should you have any questions or concerns, please reach out to the office.

Thanks and stay safe,

NEI Electric Management
